

Shri Vile Parle Kelavani Mandal's
INSTITUTE OF TECHNOLOGY
DHULE (M.S.)
DEPARTMENT OF COMPUTER ENGINEERING

Subject : Web technology Lab

Name : Pavan Bhika Patil

Roll No. : 55

Class : SY Comp

Batch : S4

Division: B

Expt. No. : 02

Date : 03/03/2025

Remark

Signature

Title : Design a webpage describing department with following specification:

- Insert an image and create a link such that clicking on image takes user to other page.
- Also apply font styling like italics, underline and two other fonts to words you find appropriate also use header tags.

Code

```
<!DOCTYPE html>
<html lang="en">
<head>
<meta charset="UTF-8">
<meta name="viewport" content="width=device-width, initial-scale=1.0">

Output:

Department of Computer Science

Welcome to the *Department of Computer Science*. We focus on cutting-edge technology, programming, and innovation to prepare students for the future.

Our Vision

We envision a globally recognized and innovative computer engineer who meets socio-economical and industrial needs.

Courses Offered

- Artificial Intelligence
- Computer engineering
- Data Science

About Our Faculty

Our faculty consists of experienced *professors* and industry experts who guide students with practical and theoretical knowledge.

About Department

Department of Computer Engineering

Department Activity

HOD Message

The Department of Computer Engineering at the SVKM's Institute of Technology, Dhule was established in 2017 with an initial intake capacity of 60 seats. The Department offers four years Bachelors of Technology program in Computer Engineering. The intake capacity is 120 seats from 2023-24.

Research and Consultancy

Faculty and Staff

Department Committees

Class and Lab

The Department has state-of-the-art computing laboratories, equipped with the latest machines, and software which are networked to the client machines throughout the department. The machines are ready with licensed software as well as open-source software for various practical assignments. Each lab is equipped with a sensor board and printer for the ease of students. Also high-speed internet is always available for the use of staff and students.

Innovative Practice

Student Placement

Academic Timetable and Syllabus

Faculty Achievements

The Department has a blend of experienced and young faculty members who also work as mentors to equally diligent, hardworking, and intelligent students.
